Restoring Wornout No. 3.

MR. EDITOR: Your types, Mr. Editor, or my "hand write," made such sorry work with what I intended for simple common sen-a, in your will repeat a sentence or two of what and a still stronger reason for repeating them is intrinsic importance and days vos ofer." their bearing upon the subject of this

"Take care of these fields is the tiller of the soil. To keep his lands in good heart, and to hand them over improved to him that follows in the Herman Switzer was no shackass, und ownership (stewardship is the truest doon you forgod da: eder. Ven I vas in word) is among the highest responsibilities laid upon the husbandman."

in mind what I stated as two of the fundamental principles of the science of by shingo I donn forgod dose gramps in agriculture; first, that whatever is taken from the soil by the crop grown shumping shack on a stick fur dree days keep the land good; and, second, vas shust more avraid of dose vatermelwhen the cultivator returns to it imply the waste matter that follows the use of the products of the soil or the use of the products of the soil, or drieder as spring shickens—shust so soft as wards restoring to the land the loss of yould haf died deader as a herring in vit-

self-evident the second, if true, can be und ven you dinks cor Berman Switzer known and established only by observation and experiment. The experi-ence of a haif century in practical you do ngot some pisness locating around study of many independent struck the table with his beer glass as if he and experiments, leads knew what he was talking about. me to believe that this second principle stated above is true. If this principle can be rested on, then its aptheir present state of fertility, and any keepers realized what an annoyance it is la-t article, nature is grinding her orst, the newspapers." great agencies to secure this result. the sun, wind, rain. frost, snow and work appointed us by God.

If the above statements are correct, or if even only partly so, we see that the question of saving tue waste mat er of our farms, stables and dwellings and applying them in the best way to our lands is one that relating to farming. The keeping of large crops for scores and hundreds of years is immeasurably more important han the questions that rela e to the

crop of the passing year. The first thing in regard to manures is that they must be eaved; not wasted. Knox county what proportion of the 'I turn my hogs upon portions of my corn fields." This saves the manure while they are feeding down the corn; but how about the rest of the year, when the hogs are set of the year, when the hogs are running in the roads, the woods and the old fields? Another may say: "I feed my then goes there; and still another feeds his fattening hogs in the highs Way or in a pen that abuts upon it, the manure working its way to the candidate for Mayor, regardless of politics, road and the stench annoying all the nationality or religion. passers by. To sum up in a word, not one-tenth is saved that might be of this most valuable manure, if a plan

ike the following was adopted: Let hogs be kept in suitable enclousures, pens with roofs and floors. divided into eating and sleeping apart-ments, with a small yard attached for t er manure. Let this yard be well supplied with fitter and muck; or if one has no swampy place yielding muck, then use fresh earth enough to stop the stench and absorb and preserve the manure, and give the pig-sty a more cleanly and comfortable appearance. If well managed, the contents of the sty will be frequently carted away. If no field is ready to or to be plowed under, let the manure be piled in heaps until wanted-because, that the manure thus piled have much or common earth mixed with it and piled, the piles should be high and step; not broad and flat. The rains will be absorbed as by a sponge, and the earth mixed with it will absorb all the ase caused by the decomps tion of the manure, and the whole

DISEASED LUNGS ARE GREATLY ON AN INCREASE IN THIS COUNTRY .- The sudden changing of weather has done much to give rise to Consumption. But there are thousands of cases who bring it on by their imprudence-such as wearing damp clothing, and going from the warm room into the cold though sometimes effecting apparant cures of one complaint they sow the seeds of moe troublesome and permanent disord rs. The price of our PAD brings it within the reach of all, and then matter or phlegm will collect, which nature will try to relieve by coughing it up, to prevent pustules from forming. If nature does not raise the matter with ease, and stop this inflammation, tubercles will soon form, and consumption will scon follow. ALLEN'S LUNG BALSAM WILL

Herman Switzer's Wetermelon.

New Orleans Times. There was three in the crowd, and one was a Dutchman, and as they sat around a table in a Royal street beer shop they discussed the probable good that would c me out of the meeting of the Public Health association until the conversation f_stened on doctors, and finally on Tan-

"I tell you what," said one of the crowd who had a nose on him shaped like the tin scoop in a sugar barrel. "I'll just be danged if Tanner hasn t shed a heap of light on this world, and since his fast board's got dirt cheap. These fellows who boss hash founderies ain't quite so independent, and now a poor man has a chance to live."

"That's true," squeaked a little man who had sore eyes and big feet. "Tan-ner said he would do it, and he stuck it out like a man. He knew what he was about, you can just bet on that." "Shentlemens," said the Dutchman, who had listened attentively, "you dinks dot man Danner vent square mid dot little pisness all de vay oud?"

"Certainly we do," they replied.
"You dinks dere was noding snide in dot starvation work?

Not athing wrong about it." "Vell, you vas shust mishdaken ven you dinks so, Maybe you dake me for a daily issue of December 15th, that I shakass, but you vas misdaken vonce more. I know a gouple of dings und Danner dond't fool me py a long shump. I intended to say or should have said, Ef you down forgot, he eats a vatermelon frum Sheorgia shust so soon as dose forty Yes, that's so. '

"Und he trinks you glass of meelk?"

He did, for a fact." "Vell, shentlemens, do you subbose voice of nature and of God to every afder he eats dot vay I vas going to pelieve he vasted yorty days mid oud anyding in his sdummick. By tam, it was so much voolishness as neffer vas pefore. der Konvederit army mit Stonevall Shackson I vent fur over fife days midoud anyding to eat, und my pody vas shust so veak Let me also ask my readers to bear as a shmall leddle kitten cat. Reader! Have you caught a cold?
the phiegm? Have you an oppression on the
lungs with short breath? Do you have a fit of
coughing on lying down? A sharp pain now
and then in the region of the heart and shoulders? A chilly repression down the hear? and then in the region of the heart and shoulders? A chilly seensation down the back? If so, delny is dangerous. "Slight colds," if neglected, often result in consumption, when the remedy, if applied promptly, would have averted all danger. For twenty-five cents you can get the remedy which the test of twenty years has proved to be the most valuable Lung Balsam ever discovered.

TUTT'S EXPECTORANT Will enable you to raise the phlegm, cause pleasant sleep and you will wake in the morning, cough gone, lungs working freely, and breathing easy. It is a preventive and cure for croup and a pleasant cordial. Children love it. No family should be without it. Sold by druggists in 25c and \$1 bottles.

Principal office 35 Murray St., New York.

A safe and gentle purgative, recom-mended for the cure of all diseases of the stomach, liver and bowels. They purify the blood, Incrase the appetite, cause the body to Take in Flesh, and by their Tonic Action on the Digestive Organs, Regular Stools are produced. As a cure for Chills and Fever, Dyspepsis, Sick Headache, Bilious Colle, Constitution, Rheumatism, Piles, Palpitation of the Heart, Pain in the Side, Palpitation of the Heart, Pain in the Side, Back and Lins, and Female Irregu-larities, they are without a rival. If you do not "feel very well," a single pill at bed-time stimulate the stomach, restores the sppetite, and mparts vigor to the system. Price 25c. Offie, 35 Murray St., New York. Gentle Women

Who want glossy, luxuriant and wavy tresses of abundant, beautiful Hair must use LYON'S KATHAIRON. This elegant, cheap article always makes the Hair grow freely and fast, keeps it from falling out, arrests and cures grayness, removes dandruff and itching, makes the Hair strong, giving it a curling tendency and keeping it in any desired position. Beau-tiful, healthy Hair is the surresult of using Kathairon,

There is no civilized nation in the Western Hemisphere in which the utility of Hostetter's Stomach Bitters as a tonic, corrective, and anti-bilious, is not known and appreciated. While it is a medicine for all seasons and all climates, it is especially suited to the complaints generated by the weather, being the purest and best vegetable stimulant in the world. sale by Druggists and Dealers, to whom apply for Hostetter's Almanac for 1881.

Only Vegetable Compound that acts directly upon the Liver, and cures Liver Complaints, Jaundice, Biliousness, Malaria, Costiveness, Headache. It assists digestion, strengthens the system. regulates the bowels, purifies the blood. A Book sent free. Dr. SANFORD, 162 Broadway, N. Y. FOR SALE BY ALL DRUGGISTS.

FOR 1881.

Everybody reads THE SUN. In the editions of this newspaper throughout the year to come everybody will find:

I. All the world's news, so presented that the readers will get the greatest amount of information with the least unprofitable expenditure of time and eye-sight. THE SUN long ago discovered the golden mean between redundant fullness and s tisfac ory brevity.

II. Much of that sort of news which depend less upon its recognized impor ance than upon its We are authorized and requested to an-nounce JNO. P. MURPHY as a candi-The Sun prints a continued story of the lives of interest to mankind. From morning to morning real men and women, and of their deeds. plans, loves, hates and troubles. This story is more varied and more interesting than any rom nee

> that was ever devised. III. Good writing in every column, and freshness, originality, accuracy and decurum in the treatment of every subject.
>
> IV. Honest comment. The Sun's habit is to speak out fearlessly about men and things.
>
> V. Equal candor in dealing with each political party, and equal readiness to commend what is proiseworthy or to rebuke what is blamable in homograf or Republican.

proiseworthy or to rebuke what is blamable in Democrat or Republican.

VI. Absolute independence of partisan organizations, but unwavering loyalt; to true Democratic principles. The Sun believes that the Government which the Constitution gives us is a goot one to keep. Its notion of duty is to resist to its utmost power the efforts if men in the Republican party to set up another form of government in place of that which exists. The year 1881 and the years immediately bllowing will probably decide this supremely importent contest. The Sun believes that the victor, will be with the people as against the Rings for monopoly, the Rings for plund r, and the Rings for Imperial power.

Our terms are as follows:

For the Daily Sun, a our-page sheet of twen, seents a month, or 86.30 a year; or, including the Sunday paper, an eight page sheet of fity-six

NOTICE.

OFFICE EAST TENNESSEE, VA. & GA. RAILBOAD CO., KNOXVILLE, TENN., Oct. 15, 1880.

To the Stockholders:
At a meeting of the Stockholders of the East At a meeting of the Stockholders of the East Tennestee, Virghila and Georgia Rallroad Company, in convention assembled on the sixth day of October, 1880: It was resolved, that the Capital Stock of said Company be increased to \$5,000,000; and that each individual Stockholder should be entitled to an increase of one hundred and fifty per cent. upon his original Stock, by his paying to the Company thirty per cent, upon the par or face value of such increase stock, with interest from date:—This privilege to continue until the fifteenth day of April, 1881; but not at any time thereafter. any time thereafter.

The surrender of the old certificate or certificates representing the amount of stock to your credit on the books of the Company, on this date, and the payment of the said thirty per cent; and adjustment of fractional shares, as provided for

by the Company, will entitle you to a new cer-tificate for the entire stock, then to your credit on the books of this Company.

Upon surrender at this office of the old certificate or certificates, representing the stock at this date, of any Stockholder, with the same properly indorsed, to authorize a transfer of the stock on the books of the Company,—the person surrendering the certificate or certificates, will then have the right to purchase in his name, of the Company, the lorges stock to which the original control of the company, the increase stock to which the original control of the company, the increase stock to which the original control of the company the increase stock to which the original control of the control Company, the increase stock, to which the orig-inal stockholder was entitled upon the terms and

conditions already stated JAS. G. MITCHELL, Secretary.
